GOVERNMENT OF MYSORE—ELECTRICAL DEPARTMENT.

OFFICE OF THE SUPERINTENDING ENGINEER, BANGALORE.

Notification dated 30th September 1938.

Sealed tenders will be received at the Office of the Superintending Engineer, Electrical Department, Bangalore, up to 12 NOON on Monday the 24th October 1938 for constructing a building for combined Central and B. P. L. Stores, at Bangalore. The works should be completed by the end of June 1939.

2. Tenders in the prescribed form obtainable from the Office of the Superintending Engineer, Electrical Department, should be addressed to the Superintending Engineer, Electrical Department, Bangalore, in a sealed cover and superscribed as "Tender for constructing the combined Central and B. P. L. Stores at Bangalore." The name of the tenderer should also be superscribed on the top of the cover.

3. Each tender must be accompanied by a deposit of four thousand rupees (Rs. 4,000 only) in cash or Government Promissory Notes or Mysore Government Bonds, duly endorsed at face value or market value, whichever is less, as earnest money. The earnest money of the successful tenderer will be retained as security deposit for due fulfilment of the contract. Such a deposit in cash will not carry any interest.

4. The tenders will be opened in the presence of such tenderers, who wish to be present on the 24th October 1938 at 2 P.M. The final acceptance of the tender will rest with the Chief Electrical Engineer, who does not bind himself to accept the lowest or any tender, or to assign any reason whatever for the rejection of any.

5. The name of the successful tenderer will be posted on the Notice Board in the Superintending Engineer's Office in due course. Within eight days of the acceptance of the tender, the successful tenderer will be required to execute an agreement in the Departmental schedule contract form for the due fulfilment of the contract, and for the execution of all items of work in accordance with the Bombay Specifications (1931) and Mysore P. W. D. Specifications.

6. Failure to comply with the condition 5 above, or to agree to carry out the work in accordance with the specifications and agreement in force, will entail forfeiture of the earnest money.

7. The earnest money of the rejected tenderers will be returned on submission of the receipt originally granted, along with an application to the Superintending Engineer.

8. Copies of contract documents, schedules and drawings may be seen at any time at the Chief Electrical Engineer's Office, Bangalore, on all working days, between 11 A.M. and 5 P.M.

9. Specific rates should be given for each item in the schedule accompanying the tender and the rates should be in rupees, annas and pies and expressed in words and figures. Tenders offering a percentage reduction on the estimate amount will be rejected.

10. Any rates or lumpsum amounts for the items not called for, if tendered by the tenderer, will not be taken notice of. The rates for such items may be entered in a separate schedule with data and reasons for the same.

11. No alterations which are made by the tenderers in the tender form in the nomenclature of the items of work will be recognised and if corrections are made, the tenders are liable to rejection.

12. There should be no alterations or erasures in the tenders in the rates of items and any corrections made in the rates should be attested to, and the number of corrections, if any, in each page noted at the foot of the same by the tenderer.

13. No reference should be made to the Public Works Department schedule of rates.

14. In the event of the tender being submitted by a firm, it must be signed separately and severally by each member thereof, or in the event of absence of any partner, it must be signed on his behalf by a person holding power-of-attorney authorising him to do so.

15. When once the rates tendered have been accepted, they will not be revised under any circumstances. In regard to items of work not tendered, or estimated, the rates for the same will be calculated on the basis of current rates for materials and labour with a Contractor's profit of ten per cent as may be approved by the Superintending Engineer. This shall be final and legally binding on the tenderer.

16. The quantities given in the Schedule are only approximate and the drawings shown to the contractor are only tentative and are liable to alterations, omissions, deductions, or additions at the discretion
